OFFICE OF PRICE ADMINISTRATION

APPLICATION FOR
SERVICE GASOLINE RATION

(For trucks, highway tractors, buses, taxis, jitneys, Government-owned or Government-leased vehicles, ambulances, hearses; vehicles available for public rental)

The owner, or the person entitled to the use, or the lessee of one or more registered motor vehicles of the types listed above may apply on this form for gasoline ration. Application may be made by an agent.

(Exception) No owner of a motor vehicle may obtain a Service ration for such vehicle if it is in the possession of another person under a lease (including renewal options) expiring more than 30 days from the date of application.

Service gasoline rations may be given only for the following uses, described more fully in the Regulations: (1) Operation of publicly owned or publicly leased vehicles; (2) Operation of trucks or buses used for official Government business; (3) Operation of ambulances or hearses; (4) Operation of taxicabs, jitneys, or vehicles available for public rental; (5) Common carriage of persons or property; carrying of persons to carrier terminals or airports in trucks or buses; (6) Transportation of workers in trucks or buses; (7) Transportation to school, church, or children's camps in trucks or buses; (8) Transportation of members of the armed forces, selectees, or persons engaged in organized activities at military, naval, Red Cross or U.S. O.E.S. establishments, in trucks or buses; (9) Transportation of persons to invalid homes, hospitals, or institutions, or furnishing medical service, in trucks or buses; (10) Transportation for carrying on civilian defense activities or activities contributing to prosecution of the war or rescue and emergency services, in trucks or buses; (11) Transportation of property, articles, or commodities, hauling tools, equipment, or machinery; or transportation and operation of mounted machinery or equipment in trucks; (12) Construction, excavating, grading, or highway maintenance, in vehicles other than passenger automobiles or motorcycles.

Brief description of industry, business, or occupation in which vehicles are used:

Truck is being used for collecting trips, for delivering shipments at Venice, nearest shipping point. Truck also used for upkeep of Plymouth. Is used to call for mail at Englewood P.O. and for supplies.

Fleet identification

Application is hereby made for gasoline ration required for the operation of the vehicles described below.

Gasoline obtained on the ration applied for must not be used for any purposes other than those described above.

I certify that each of the foregoing statements is true to the best of my knowledge, information, and belief, and that the operation of the vehicle or vehicles covered in this application is in compliance with all applicable orders issued by the Office of Defense Transportation.

Section 35 (A) of the United States Criminal Code makes it a criminal offense, punishable by a maximum of 10 years’ imprisonment, $10,000 fine, or both, to make a false statement or representation to any Department or Agency of the United States as to any matter within the jurisdiction of any Department or Agency of the United States. (Notice to applicant.—If this application covers any vehicles subject to the general jurisdiction of the Interstate Commerce Commission (including carriers who have applied for or received certificates of convenience or necessity or permits as contract carriers, but excluding private carriers, exempt carriers, and purely intrastate carriers), approval of the local allocation officer of the Office of Defense Transportation should be obtained below.)
